

Kanu Priya Mohan

Assistant Professor

Ph.D., M.B.A., FHEA

Email: kanum@g.swu.ac.th

 <https://orcid.org/0000-0001-8208-4129>

Significant Professional Experience and Achievements:

- **University teacher** (since 2009): *Areas of interest-* applied behavioral science research, organizational behavior, and applied psychology in workplace. I teach and supervise research of graduate students from diverse backgrounds, interests, and nationalities.
 - **Chief Editor of the Journal of Behavioral Science** (since 2012): an international, peer reviewed journal; indexed in national and international database such as SCOPUS, EBSCO, ESCI, ACI & Thailand's TCI (tier 1).
 - **Trainer** (since 1995): for diverse participants from different countries (such as Thailand, India, Sri Lanka, Pakistan, and Afghanistan); for a variety of topics related to organizational behavior, organizational development, and coaching & mentoring.
 - **Certified Coaching and Mentoring Professional** (since 2011).
 - **FHEA** (since September 2022): Awarded *Fellow of the Higher Education Academy* (FHEA), accredited by the UK Professional Standards Framework (UKPSF), for contribution to teaching and learning in higher education.
 - **Researcher**: Conducted and published research works in national and international database.
-

Educational Background:

<u>Year</u>	<u>Degree</u>	<u>Institution</u>
1985-1989	Bachelor of Arts (Psychology Honors and Math).	Government College for Girls, Chandigarh, India.
1989-1991	Master of Business Administration (M.B.A., Marketing).	University Business School, Punjab University, Chandigarh, India.
2002-2008	Ph.D. in Applied Behavioral Science Research.	Behavioral Science Research Institute, Srinakharinwirot University, Bangkok, Thailand.

Academic Work Experience:

<u>Year</u>	<u>Position/ Work areas</u>	<u>Organization</u>
2009 till now	Assistant Professor. Teaching, research, and supervision of Master and Ph.D. level students in behavioral	Behavioral Science Research Institute, Srinakharinwirot University, Bangkok, Thailand.

Year	Position/ Work areas	Organization
	science (since 2009) and applied psychology (since 2013) programs.	
2009-17	Visiting faculty for various programs and topics- MBA, MMOD (Organization development); GSeL (Graduate school of e-learning).	Assumption University (ABAC), Bangkok, Thailand.
2011-18	Visiting Faculty- for teaching, and training	AIT Extension, Asian Institute of Technology, Thailand.

Organizational Work Experience:

2004-08	Manager, Human Resources	Modern International School Bangkok, Thailand.
1991-98	Deputy Manager (Marketing)	Punjab Wireless Systems (PUNWIRE), Chandigarh, India.

Courses Taught at the Behavioral Science Research Institute, Srinakharinwirot University, Bangkok:

<u>Degree/Curriculum</u>	<u>Course</u>	<u>Responsibility</u>
MS in Applied Behavioral Science Research	RB 504: Fundamental Research and Academic English Skills.	Course- Coordinator
PhD in Applied Behavioral Science Research	RB 731: Research and Techniques for the Development of Work Effectiveness.	Course- Coordinator
PhD in Applied Behavioral Science Research	RB 701: Advanced Research Methods in Behavioral Science	Course- Coordinator
PhD in Applied Behavioral Science Research	RB 781: Work Socialization	Co-teacher
PhD in Applied Psychology	AP 824: Psychology for Training	Co-teacher
PhD in Applied Psychology	AP 831: Psychology for Organizational Development	Co-teacher
PhD in Applied Psychology	AP 832: Psychology for Human Capital Management	Co-teacher
MS in Applied Behavioral Science Research	RB 581 Socialization and Human Development	Co-teacher

Research and Publications:

Current areas of research:

Behavioral science perspectives about the impact of COVID-19 on Psycho-social Well-being; Sufficiency Living Wage & Global Organizational Living Wage (*GLOW* research network); Quality of work life and Job-related well-being; Coaching and Mentoring in various work contexts such as in the field of education; and Enhancing mental health and well-being among adolescents and young adults.

Research Projects:

Year	Research Project	Funded by	Role
2023-ongoing	Adaptation and Psychometric Validation of the Playful Work Design Scale in Thai Context.	Srinakharinwirot University, Bangkok.	Principal Investigator

Year	Research Project	Funded by	Role
2023-2024	Adaptation and Psychometric Validation of the Playful Work Design Scale in Thai Context	Behavioral Science Research Institute (BSRI), Srinakharinwirot University, Bangkok.	Principal Investigator
2021-2022	Best Practices for Supporting Mental Health and Wellbeing of University Graduates: Exploring Pathways to Develop Resilient and Agile Workforce for the Post Pandemic Recovery.	Strategic Wisdom and Research Institute, Srinakharinwirot University, Bangkok.	Principal Investigator
2021-ongoing	Adaptation and Resilience Process of Community Based Tourism during the COVID-19 Pandemic: A case study of communities that adopted the Sufficiency Economy Philosophy (SEP-CBT).	Graduate School, Srinakharinwirot University, Bangkok.	Co-researcher
2021-22	Best Practices for Supporting Mental Health and Wellbeing of University Graduates: Exploring Pathways to Develop Resilient and Agile Workforce for the Post Pandemic Recovery.	Strategic Wisdom and Research Institute, Srinakharinwirot University, Bangkok.	Principal Investigator
2020-22	Behavioral Science Perspectives on Coping and Well-being during Covid-19 Lockdown: A Mixed Methods Research.	Strategic Wisdom and Research Institute, Srinakharinwirot University, Bangkok.	Principal Investigator
2019-20	Development of Models for Best Instructional and Learning Practices for the Promotion of 21st Century Skills in International and Public Curriculum Programs of Basic Education in Thailand.	National Research Council of Thailand (NRCT)- the Spearhead Strategic Plan.	Co-researcher
2019	Innovation leadership in Thailand.	Slingshot company Thailand.	Co-researcher
2017-19	Sufficiency Living Wage: A Conceptual Framework in Thai Organizations based on the Sufficiency Economy Philosophy.	Strategic Wisdom and Research Institute, Srinakharinwirot University, Bangkok.	Principal Investigator
2017-18	Research Unit in Innovation and Well-Being among Children and Adolescents.	Strategic Wisdom & Research Institute, Srinakharinwirot University, Bangkok.	Co-researcher
2015-17	Coaching and Mentoring for Educators: Investigating the Cognitive-Affective-Behavioral Learning Outcomes of Training	Behavioral Science Research Institute (BSRI), Srinakharinwirot University, Bangkok.	Principal Investigator
2015-16	Education Reform for Students by Coaching & Mentoring	Office of the Basic Education Commission, Thailand	Co-researcher
2014-15	Behavioral Science Research: An Evaluation of the Historical roots, Evolution and Future Development in Thailand	Behavioral Science Research Institute (BSRI), Srinakharinwirot University, Bangkok.	Principal Investigator
2014-15	Understanding Patient Safety and Developing a Research Instrument: A cross cultural research	Graduate school, Srinakharinwirot University, Bangkok	Co-researcher
2010-12	A Cross Cultural Research: Psychosocial correlates of Employee well-being and Quality of work life of the University teaching faculty	Srinakharinwirot University, Bangkok	Co-researcher

Presented at International Conference for Case Studies on Development Administration 2016 (NIDA-ICCS 2016), National Institute of Development Administration (NIDA), Serithai Road, Bangkok, Thailand
- Mohan, K.P. (2015, August 19-22). *Psychological Resources, Coping, and Job Well-being of International School Teachers in Thailand: A Mixed Method Investigation*. Presentation of paper in the 11th Biennial Conference of Asian Association of Social Psychology 2015, Philippines.
- Mohan, K.P. (2015, August 27). *A look at the past, current, and future Integration of academic knowledge and research at the Behavioral Science Research Institute*. **Keynote address** presented at the 12th International Postgraduate Research Colloquium (IPRC 2015). Behavioral Science Research Institute, Srinakharinwirot University, Bangkok, Thailand.
- Mohan, K.P. (2013, August 21-24). *Job satisfaction, Life Satisfaction and Quality of Work Life: An exploration of perceptions among the University Teaching Faculties of Thailand and Malaysia*. Research presentation at the 10th Biennial Conference of Asian Association of Social Psychology 2013, Indonesia.
- Yoelao, D. & **Mohan, K.P.** (2013, August 26-27). *A Cross Cultural Comparison of the Psychosocial Correlates of Quality of Work Life of the University Teaching Faculty in Thailand and Malaysia*. Paper presented at the 10th International Postgraduate Research Colloquium (IPRC 2013), "Psycho-Behavioral Science for Harmonizing Cultures of ASEAN" at Behavioral Science Research Institute, Srinakharinwirot University, Bangkok, Thailand.
- Mohan, K.P. (2012, October 4-5). *An Etic Perspective about Development of Psychology in Thailand*. Paper presented at the 9th International Postgraduate Research Colloquium at Department of Psychology, International Islamic University Malaysia, Kuala Lumpur, Malaysia.

Training and Development Experience

Areas: Conducted workshops and training programs on an array of themes:

- Various aspects of interpersonal behavior (such as leadership, motivation, communication, conflict resolution, and teamwork)
- Coaching and mentoring for organizational effectiveness
- Personnel development and enhancing job wellbeing
- Organizational needs analysis and Training needs assessment
- Change management
- Developing leadership competencies

Participants: University teachers, Management Professionals, Doctors, Government officials from various countries like Thailand, India, Sri Lanka, and Pakistan; and International School Teachers.

Relevant Accomplishments & Awards

- Scholarship for Research work conducted during the Ph.D. curriculum at Srinakharinwirot University, Bangkok, Thailand- Year 2004.

- Gold Medal and Scholarship from Punjab University, Chandigarh, India, for securing 1st Position in the University in Pre-University – Year 1986
- Gold Medal and Scholarship from Punjab University, Chandigarh, India, for securing 1st Position in the University in B.A – Year 1989
- Gold Medal and Scholarship from Punjab University, Chandigarh, India, for securing 1st Position in the University in B.A (Honors) – Year 1989
- Gold Medal and Scholarship from Punjab University, Chandigarh, India, for 1st Position in the University in M.B.A I – Year 1990.

Special Skills

- Competence to work with diverse groups of people with different backgrounds
 - Able to work in a multicultural environment
 - Skilled trainer, facilitator, coach, and mentor.
 - Invited peer reviewer for international journals indexed in Scopus and Web of Science.
-
