

**Qualifying Exam Instruction**  
**Ph.D. Program in Applied Behavioral Science Research**  
**Fall Semester Academic Year 2023**  
**(The exam will be taken online)**

---

1. There are 2 sections of the exam, divided into research methodology and behavioral science content.
2. Students are encouraged to take the exam in 1 research methodology section and 1 behavioral science content section.
3. The full score of each category is 100 points. Students must score more than 70% in each category to pass the qualification test.
4. The exam guidelines are as follows:
  - 4.1 Students have 3 hours to complete the exam, starting at 09.00 and ending at 13.00 hrs.
  - 4.2 Students are encouraged to use their mobile cameras to record the exam throughout the exam period until the end of the exam. By pointing the camera angle to see the students' faces, hands, answer sheets, and computer monitors.
  - 4.3 Students take a photo of the answer sheet with notes on the front and back. Send it to the proctoring committee within 20 minutes after the end of the exam (no later than 1.20 p.m.) by sending it to Ms. Pichitra Thammathit [pichitra@g.swu.ac.th](mailto:pichitra@g.swu.ac.th)
  - 4.4 Naming answer sheet files can be saved as JPEG or PDF by naming the files:
    - 4.4.1 Research Method: Specify the category name followed by the student's name and page number in case of sheet submission, e.g. Method-Mark P1, Method-Mark P1.
    - 4.4.2 Content Category: Specify the category name followed by the student's name and page number in case of sending sheets, such as: Content-Mark P1, Content-Mark P2 If combined into the same file, specify, e.g. Content-Mark P1-P3.
  - 4.5 Students are not allowed to open documents and search for information on the Internet. **If fraud is found, the student will be failed immediately.**
5. To answer the exam:
  - 5.1 Have students write handwritten answers that can be read by the exam committee.
  - 5.2 Use an A4-sized answer sheet with or without ruled lines.
  - 5.3 Specify the respondent's name and page number on each sheet.

5.4 Separate the answer sheet according to the selected verse and specify the category answered.

## Sample of the Camera Angle

Be able to see the students' faces, hands, answer sheets, and computer monitors.
